

DISCUSSION OF FAR EASTERN QUESTIONS ENTERS FINAL PERIOD

Delegations Profess Confidence in the Outcome But Say Days Just Ahead are Most Critical in Conference—Naval Treaty Awaits Settlement of Eastern Problems

(By The Associated Press)
WASHINGTON, Jan. 16.—The Far Eastern discussions of the arms conference are entering their final period of decision with most of the delegations professing confidence in the outcome but conceding privately that the days just ahead may be the most critical of the whole Washington negotiations.

Having begun with a declared policy of disposing first of subjects upon which agreement appeared easiest, the plenipotentiaries now find themselves confronted with decisions on the problems which long have been the storm centers of oriental policies—enforcement of the open door, Shantung, the "twenty-nine demands," Manchuria, and the Japanese occupation in Siberia.

The situation again has made Japan the center of conjecture because of her outstanding position in the Far East and because most of the problems now to be approached have arisen over policies and acts emanating from Tokyo.

Representatives of the other powers are speculating to what extent the United States will go in reiterating the many protests she has made in the past against Japanese moves in Shantung and elsewhere on the continent of Asia, and in seeking an effective means by which readjustments may be brought about.

The Japanese, meantime, are waiting but are throwing out suggestions that any attempt to force Japan's withdrawal from Shantung, Manchuria or Siberia, except on terms that will protect her interests is sure to meet with bitter and protracted opposition.

John H. Brown is Injured When Train Strikes Auto

(By The Associated Press)
DANVILLE, Ill., Jan. 16.—John H. Brown of Jacksonville, and Alfred Gieritz of Champaign were severely injured this afternoon when the automobile being driven by the latter was struck by a Big Four train at a crossing near Glover, west of this city. The car was hurled about fifty feet and reduced to a total wreck from which the men were extricated and rushed to a Danville hospital.

Brown has a broken leg and severe cuts about the head and face. Gieritz suffered a bad cut in the forehead and several bruises.

The injured man is a son of William Brown, 1333 South Clay avenue. He is engaged in the insurance business and has been located in the east part of the state for a number of years.

He has a brother James who is also engaged in insurance work in eastern Illinois, and a sister, Mrs. Watson, who resides south of the city.

Late reports from Danville to the Journal were to the effect that Mr. Brown though seriously hurt probably would recover.

SHOULD BE SWEETER
THAN CLINK OF GOLD**

Chicago Man Grills Financiers of Wall Street

(By The Associated Press)
NEW YORK, Jan. 16.—When captains of finance along Wall Street win the confidence of the American people and make them see that "that the music of the clink of gold across their counters is not so sweet as the national anthem" then, according to James R. Sheffield, president of the Union League club, they will have done a great service to American banking and a greater service to the American people.

Mr. Sheffield's appeal to financiers was made tonight in an address, "The Soul of Wall Street," before Group Eight of the American Bankers' association.

The name Wall Street is considered in many sections of the country with reproach Mr. Sheffield said.

"Regardless of who is responsible," the speaker continued, "it is not good for America that this prejudice prevails."

"They must learn, that, in spite of crooks and scoundrels who come here the financial district of New York is a place where hard and reckless financial practice in corporate management is never regarded and never condoned."

PLAN FOR ROLL CALL.
Members of Illini Lodge I. O. O. F. are making extensive plans for the annual roll call which is to be held next Tuesday evening, January 24. Interest in the general program will be increased by presentation of a 50-year veterans jewel to one of the members of the lodge.

**JACKSONVILLE COUPLE
WED IN JERSEYVILLE**
Edward Haley, an employee of the School for the Deaf, and Mrs. Bella Walker, also a Jacksonville resident, quietly journeyed to Jerseyville one day last week and were united in marriage without letting any of their friends know of their intentions.

But the wedding was destined not to remain quiet. On their return to their home Saturday at South Clay avenue their friends soon became informed and accordingly organized a crowd who gave them an old fashioned chowder party. There were about fifty persons who called and celebrated the occasion.

Both Mr. and Mrs. Haley are very well known in Jacksonville.

WILL MAKE VISIT IN EAST
Mr. and Mrs. John Kearns will leave today for an extended visit in the east. The itinerary will take them to Potomac, Pa., where they will be guests of Walter D. Stafford, who was at one time an instructor in violin at Illinois Woman's college. Prof. Stafford is now instructor in a school for boys located at Pottstown.

WOMEN WILL BE DELEGATES TO THE CONFERENCE
Twenty Four Have Been Invited, Wallace Says

(By The Associated Press)
WASHINGTON, Jan. 16.—Twenty four women have been invited to attend the national agricultural conference which will convene in Washington next Monday. Secretary Wallace announced today. Six of them, he added, operate their own farms and the others are representatives of the home economics work who are familiar with farm conditions. Their names will be announced later.

The secretary also announced that President and Mrs. Harding would receive at the white house the delegates and their wives Monday evening.

More than half of the delegates Mr. Wallace said, will be "dirty" farmers and more than one third of the remainder representatives of state agricultural departments, state agricultural colleges and editors of farm papers.

"The others will consist of allied agricultural interests. If the farmers work out of their present situation they must have the help of interests dependent on agriculture. The farmers can do some things for themselves, but they are interested in the cost of transportation cost of distribution and enlargement of the markets for their products, and, therefore we have asked representatives of the allied industries to meet with them to help work out the mutual problems."

The greatest value of the conference, it was said, would probably be matters of policy, which it is hoped, will be worked out, looking towards the future of a self-sustaining farming policy. The conference it was declared would be expected to lay down such recommendations on an agricultural policy as would help avoid periods of depression.

The conference is also expected to serve as the occasion for numerous small meetings between growers and the manufacturers interested in certain commodities.

ARMY MAN DEFENDS GAS IN WARFARE
(By The Associated Press)
NEW YORK, Jan. 16.—Brigadier General Amos A. Fries, chief of the chemical warfare service of the United States army defended gas as used in war as the most humane weapon yet devised in an address tonight before the Compressed Gas Manufacturers' association. He cited figures of losses in the world war to support his contention and quoted numerous medical investigators to prove the victims of gas were no more subject to tuberculosis than other casualties.

Citing the surgeon general's report for 1920, General Fries said that of 70,552 men admitted to hospitals suffering from gas only 1,261 had died. Assuming that 200 died of gas on the field, "since concentrations of gas sufficient to kill within, say, twelve hours were seldom obtained," he estimated the percentage of deaths among men gassed at two percent, while of 187,558 wounded with bullets, high explosives and similar weapons, 48,449 or twenty-four percent died.

SUNDAY SCHOOL WORKERS WILL HOLD CONFERENCE
The Morgan County Sunday school association will hold a council meeting Friday noon at Northminster church. Pastors and superintendents of the various churches together with precinct and county officers, will attend. The program is being arranged by a committee which includes A. Curry, Albert Crum and J. S. Findley.

While the program has not been announced, it is known that themes of interest to all Sunday school workers will be considered.

In twelve hours' time recently 49 traffic accidents were reported in St. Louis. Thus again figures afford ready proof of the present day need for traffic regulations and for more rigid enforcement.

The jury in the Burch case in California has disagreed and been discharged. Perhaps the system is wrong, but whatever the cause Californians seem to have the custom of failing to agree when they try cases that have been made nationally prominent.

The St. Louis Globe Democrat closes an editorial complimenting Will Hays, retiring postmaster general, with this paragraph:

"The work he has done in less than a year in the Postal Department creates a strong desire that it might be prolonged over a much greater period. The opportunity he will have as the head of a great combination of moving-picture interests is exceptional. The movies are the amusement of the people. In maintaining them at a standard that may merit the approval of the thoughtful he will have an important task. That it will prove to be the indicated field for one of his temperament and experience seems a warranted prediction."

TELEPHONE RATES

A hearing will be held today in Springfield on the application of the Illinois Telephone Co. for an increase in rates. This is a case which should not present great difficulties. The company is made up for the most part of Morgan county men and they are conducting a business in which Morgan county people and those resident in adjacent counties are their patrons. Presumably they want only a fair return upon the investment they have made and the business they are conducting.

That is what the people want them to have.

If all the real facts as to investment and earnings are laid before the commission and the public, certainly an equitable agreement should be readily reached. The public is generally fair, when fairly treated.

THE PUBLIC HEALTH PROGRAM

The Morgan County Board of commissioners has many difficulties to meet in its effort to make the funds available meet all necessary expenses, but even with this fact in mind the board is to be commended for its willingness to try out the health program that the state department and the Rockefeller Institute have suggested aside from other benefits to accrue, there is some good advertising for Morgan county in the very fact that the National Health Board representing the Rockefeller Foundation has designated this county the first in all the state for a demonstration of this work.

Since one-half of the money to be spent in the work is to be paid by the state or by the Foundation, certainly Morgan county could hardly do less than to favor the suggested program. While the work here may be looked upon as a demonstration, at the same time the program is not new as it has been carried on in several other states with excellent results. The big program of future years is the prevention of diseases rather than its cure, and a disease prevention program, aside from its humanitarian features can and will mean a saving of dollars. With more healthful conditions prevailing in the county the expenditures for charity cases and for ill health resulting from neglect will be much less than at present.

A big movement is to have its first demonstration in Illinois right here in Morgan county. The health department of Illinois cannot afford to let the experiment fail, and the Rockefeller Foundation cannot afford to have a failure recorded. Certainly with co-operation from Morgan county there will be a record of successful work.

the following sensible statement:

"While we are being asked by many people, especially by many who depreciate the alleged sectionalism of the middle and western portions of the country, to think of our duties and responsibilities across the Atlantic, might it not be a good time to be thinking of our duties and responsibilities to our own people here at home? If deep depression exists among the farmers and manufacturers of the United States—and it does—why not give some consideration to the importance of helping them out? It is easier in some quarters to get up enthusiasm about reviving European industry and restoring European credit than in behalf of the revival of American industry and the protection of American credit."

"Granted that sectional and class groups in congress are undesirable, and, if they seek to profit at the sacrifice of the general welfare, they are unpatriotic, equally unpatriotic is the attitude of the American who is unwilling to give as much consideration to American needs as to the necessities of Europe and the profits of those who are willing to sacrifice the welfare of their own country in order to protect European investments and promote European importations. One such bloc is as bad as another and the individual or interest which is ready to stir up sectional class of occupational hatred in America, no matter what his location, is an enemy to the republic."

MONMOUTH PLAYS ILLINOIS FRIDAY

Game Will Be Played In David Prince Gymnasium—Monmouth Runnerup for State Title a Year Ago.

Monmouth college comes to the city Friday night to play the Illinois college basketball five. With the coming of the Monmouth team there is an end to the easy games on which the Illinois team has been browsing. The St. Louis University game cannot exactly be called an easy game but the way the Illinois five played the night the St. Louisians were defeated made the game look easy.

Monmouth, last year, was one of the teams which played in the final game of the big Intercollegiate basketball tournament. They were defeated and so ranked second in the state. This year they have four of the same men who played last season and they have been walking rough shod over all opponents.

The Illinois college players saw the Monmouth team in last year's tournament and they are laboring under no delusions in regard to the ability of the visiting team. They know they must play even better ball than they displayed against St. Louis University in order to place this game in the win column along with the five already won. Fans are sure to see a game full of action on Friday night.

SEATS FOR "THE BAT" IN GREAT DEMAND

The advance sale of tickets for "The Bat" opened yesterday morning. The demand has already been such that Manager Wright is certain that the company will play here on Wednesday night to a capacity house.

"The Bat" is every bit of the dramatic smash one critic called it. One climax after another, follows in rapid sequence and the suspense literally holds the audience breathless from curtain to curtain. Nor is that all, for running through their story the authors have succeeded in introducing one of the funniest characters ever seen on the stage. Lizzie, the servant of the household, accounts for shrieks of laughter.

"The Bat" has played in New York for a year. And it is still there. Simultaneously, another company of "The Bat" achieved a run of one solid year in Chicago, breaking all theatrical records for that city by a matter of many months. This is a record that is positively unique in the annals of the theatre.

MRS. JANE HUNTER IS SUMMONED BY DEATH

Well Known Resident of City Passed Away Sunday Morning—Funeral to be Held This Morning at Centenary Church.

The death of Mrs. Jane H. Hunter of 803 South East street came at 8 o'clock Sunday morning, following an illness of a number of years. The deceased was a daughter of the late Mr. and Mrs. Thomas Hoper, and she was born in Avon, England on December 29, 1838.

With her parents the deceased came to this country in the year 1856, the family home being located at Sinclair, Ill. Her marriage to Robert Hunter occurred fifty-eight years ago. Mr. Hunter passing away ten years since.

The surviving children are Frank and John Hunter of the Sinclair neighborhood, Mrs. Charles Martin and Mrs. Richard Dodsworth of this city, and Misses Elizabeth and Emma Hunter also of this city. There are also twelve grandchildren and ten great grandchildren.

Mrs. Hunter is also survived by three brothers, Charles, Richard and Philip Hooper, all residing in this city.

In 1864 Mrs. Hunter united with the Hebron M. E. church following a revival conducted by Rev. Mr. Reed. Later when the family removed to Jacksonville, Mrs. Hunter became identified with Centenary church here, and was faithful in attendance at the various church services as long as her health would permit.

It was in 1905 that the Hunter family removed to this city from the farm which had so long been their home. Mrs. Hunter had been a sufferer for years but she remained uncomplaining and cheerful thru it all. During her years of invalidism Mrs. Hunter had the loving care of her two daughters at home and their devotion was untiring.

The funeral will be held at 10:30 o'clock this morning from Centenary church, in charge of Rev. F. A. McCarty of Bloomington, assisted by the pastor Rev. C. D. Robertson. Interment will be made in the family lot in the Hebron cemetery.

INSTALL PICTURE MACHINES IN SCHOOL

The moving picture machine for the High school entertainments will be installed some time today for the first performance this evening. "If I Were King," a beautiful and historically educational film will be shown.

The two machines will be installed in the balcony of the auditorium, at the rear of the center section, where a wire attachment has been put in for just such purposes. A regulation movie screen will be used on the stage. The screen will have a very dark background of green velvet, which will make a more attractive as well as more efficient effect.

All of the entertainments are five reel productions lasting from an hour and a quarter to an hour and a half, with fifteen cents admission charged. Tickets for all five performances can be secured for fifty cents.

The machines used for these shows are the type to be bought by the High school if enough money is secured. Two machines will cost in the neighborhood of \$500. It is to be hoped that this amount is raised as moving pictures for the school will mean much for the educational efficiency of the institution.

DIDN'T WASTE MONEY ON FOOD

"The recent campaign against wastefulness in eating did not affect me much as I haven't been able to eat anything but toast and tea for the past five years. Even that would cause me distress. My weight was down to eighty-four pounds and my complexion muddy. I had frequent pains in the region of my appendix. I am glad I did not listen to an operation, as Mayr's Wonderful Remedy has made a new woman out of me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. MRS. J. E. WRIGHT PASSED AWAY SUNDAY

Death Came Soon After That of Brother, W. D. Henry of Woodson—Double Funeral to be Held—Held This Afternoon.

Death came at 3 o'clock Sunday afternoon to Mrs. J. E. Wright of 1123 South Diamond street, following an illness of extended duration. The deceased was a sister of the late W. D. Henry, whose death occurred Saturday evening, and double funeral services will be held at 2 o'clock this afternoon at the Woodson Christian church. The services will be in charge of Dr. G. W. Miller and Rev. I. H. Fuller.

The deceased was born Jan. 19, 1842, and was a daughter of the late Jesse and Martha McConnell Henry, prominent among the early residents of the state. In early womanhood she was married to Crockett Henry of Woodson, who died a few years later. They were the parents of two daughters, Mrs. Rosabelle Bell of Winchester and Mrs. Louella Ash of San Diego, Calif.

After teaching for a number of years in the public schools of the county, Mrs. Henry was married to the late Capt. J. E. Wright of Murayville. They were the parents of the following children: Mrs. F. E. Strang, White Hall, who passed away in 1912; Mrs. Martha Masters living at home; and C. Justus Wright of this city. One son, Jesse Wiley Wright, passed away in infancy.

The deceased is also survived by eleven grandchildren and seven great grandchildren. She also leaves the following brothers and sisters: William, John and Samuel Henry and Mrs. Lucy Grunder, all of Woodson. Her deceased brothers and sisters are C. E. Henry, Edward Henry, W. D. Henry, Mary Fuller and Mrs. George Barber.

For many years the deceased was a member of the Woodson Christian church and her life was one which measured up fully to the highest standards of Christianity. Altho her chief interests were connected with her home and family, she also gave time and thought to the welfare of her friends and the community in which she lived.

For the past twenty-three years Mrs. Wright had been a resident of this city, the family home being for a time at Mound Avenue and later on South Diamond street. She was a member of the Woman's Relief Corps in which organization she was greatly interested.

ARBITRATION IS NOW A NECESSITY

James Mullenbach Explains In Interesting Way Clothing Manufacturers Handle Labor Questions.

James Mullenbach, who is the chairman of the trade board of Hart, Schaffner & Marx, made an address Sunday night at the community forum of the Congregational church. Mr. Mullenbach has held the position for a number of years and so is familiar with the relations between capital and labor. He discussed Sunday night the need of an arbitration board as between employers and employees, and told how such a board can work out a solution of very difficult problems.

Mr. Mullenbach traced the history of the trade union movement and explained some of the reasons why employers and employees frequently do not get each others' viewpoints.

The trade board to which representatives of the employers and certain representatives of the employees. Questions as to wages, quality of work, and conduct, are referred to this board and if it is not possible to reach an agreement an appeal is taken to the general arbitration board which acts for a number of employing concerns.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Jacksonville testimony.

Wm. H. Pollock, 133 E. Walcott St., says: "I had a dull ache through the small of my back. My kidneys acted too freely and the kidney secretions were of a reddish color and contained sediment. I surely felt out of fix all over. I sometimes had dizzy spells when things would seem blurred and I would have to sit down until the spells passed. I used Doan's Kidney Pills as they were recommended to me and it was not long until they relieved all this trouble. I felt much better after a few doses and was cured after using several boxes. Doan's are surely a good medicine and I am glad to recommend them."

MEREDOSIA BRIDGE WORK WILL BE DONE

Success of Plan to Make Structure Usable for General Travel Will Succeed—County Road Pledges \$2,500 Toward Fund—Jacksonville Citizens Will Help.

The board of commissioners of Morgan county yesterday agreed to pay \$2,500 toward the fund for planking the railroad bridge at Meredosia and making it available for general traffic. A joint committee representing the citizens of Meredosia and the Chamber of Commerce held a conference with members of the board Monday morning. Commissioners Wheeler and Mason being present.

At this conference W. F. Roeger, Meredosia banker, former commissioner, presided and there was an informal discussion of the whole project in which practically every person present took part.

L. F. Berger, mayor of Meredosia, was the spokesman for the delegates from his town, although all of those present had something to say. The commissioners made it plain that they were in sympathy with the project and the only reason that they were unwilling to commit themselves at once toward paying part of the expense was the fact of the shortage of county funds and the numerous demands made upon them. However, adjournment was taken until 1:30 and at that time Mr. Wheeler and Mr. Mason informed the delegates that on behalf of the county they would pledge \$2,500 toward the \$15,000 fund.

It is the understanding that the Chamber of Commerce will make an immediate effort to secure pledges totalling from \$1,500 to \$2,000 toward the project.

Indications are that Chapin citizens will subscribe another \$500 and if there is any deficit the people of Meredosia have indicated that they will not see the project fail, although they have already enthusiastically subscribed nearly \$6,000.

Under the proposed plan the Wabash will pay for planking the bridge and the \$15,000 that is being subscribed is to pay the expenses for electric gates to the bridge and the building of the necessary approaches.

The larger part of the work must be done at the west end of the bridge but the greater part of the funds must come from this county. The reason is that Brown and Pike county as a whole are not favorable to the improvement because of the fear that business which now goes to some of the larger towns of Pike and Brown counties will change to Meredosia or elsewhere in Morgan county. So the contributors to the improvement in Brown and Pike counties are the land owners located at no great distance from the bridge and also the people in some of the near-by small towns who prefer traveling across the bridge and into Morgan county for the transaction of their business instead of going into the larger cities to the west or north.

In aiding the project the commissioners felt that they were doing a good thing for Morgan county by making it easy for people to reach the county over this bridge. It was stated at the meeting yesterday that the Wabash officials would not consider such a proposal for the bridge at Valley City for the reason that the trains passing there are numerous. At Meredosia, however, there are usually but 6 trains a day, 3 in each direction, so that traffic would be interfered with comparatively little.

The Meredosia men suggested that the people of Morgan county should feel fortunate in securing such a bridge at a cost of \$15,000, when it is realized to construct a wagon bridge at this time would mean a cost of at least \$250,000. The Meredosia delegation included J. W. Brockhouse, J. A. Hildebrand, L. E. Borger and Wm. Roegge.

V. E. HIGGINS DIED SUNDAY MORNING

Long Time Resident Answers Final Summons—Funeral Services This Morning.

Virgilus Edmondson Higgins, a resident of Jacksonville for many years, died at his home, 1124 West Lafayette avenue, at 5:30 o'clock Sunday morning.

Decedent was born near Bluff Springs, October 9, 1835, and was the son of Martin and Mary Edmondson Higgins. January 31, 1866, he was united in marriage to Miss Laura Barr, who survives together with two children: Mrs. Charles B. Joy and Haller Higgins. He was the last surviving member of a family of four brothers and two sisters.

Practically all of Mr. Higgins' life was spent in Jacksonville. For many years he followed railroad work and was local agent for the old P. P. and J., and the Chicago and Alton railroads. He also was in the offices of the Jacksonville Southern line when it was operated by the late William S. Hook.

Mr. Higgins was an expert accountant and was in the office of the assessor and treasurer when John W. Clary held that office. Later he was appointed comptroller by Mayor John R. Davis and held that position under C. H. Widmayer and Daniel Bahan after the latter was elected following the death of Mayor Widmayer. His last active work was in the feed business with his son, Haller Higgins. He has not been actively engaged in recent years.

He was a man of kindly disposition and made many friends during his long residence in Jacksonville.

The remains were removed to the Reynolds Mortuary and prepared for burial and was then taken to the residence where funeral services will be held at 10:30 o'clock this morning in charge of Dr. Thomas W. Smith of Westminster church. Interment will be in Diamond Grove cemetery.

HARMONY THE THING THE WORLD LACKS

Eloquent Address Made by Peter W. Collins at Knights of Columbus Hall—Bolshevism Rampant in the U. S. He Charged.

Peter W. Collins, who has national fame as a lecturer, made an address at Knights of Columbus Hall Sunday afternoon. His theme was "A Lack of Harmony" and he counted this as the greatest danger of the times and as leading toward Bolshevism.

The Knights of Columbus have embarked upon a national campaign to offset the influence of Bolshevism. Socialism, the policies of the I. W. W.'s and some other organizations. Making tours have a place in this campaign and Mr. Collins is one of the group of speakers. His views are based upon wide experience as he has been a student and traveler for a period of years.

Rev. Edward Cahill presided at the session and in introducing Mr. Collins paid an eloquent tribute to his work. Before the address was begun Miss Dorothy Graef played a violin solo with great acceptance. Mrs. Julia Graef serving as her accompanist.

Socialism, Mr. Collins said, is a synonym for Bolshevism and does not represent the thought of working people but those who would live by other means. He pointed out clearly that the parlor Socialists and the one who talks from a soap box at the corner are of the same kind, although they use two different languages. Certain relief from all this complaint of Mr. Collins said, would be secured from following the Ten Commandments and it is failure to realize this fact that leads to much of the present day unrest and difficulty.

Then in a way that thoroughly stirred his auditors, Mr. Collins made the charge that there is more Bolshevism in the U. S. today to the square inch than there is in Soviet Russia to the square mile.

To substantiate this statement he told of the vast number of socialistic publications in the U. S. with circulations running up into the millions. He quoted the violent and unpatriotic utterances of some well known publications in New York and other eastern cities.

In conclusion Mr. Collins paid tribute to the work of the Knights of Columbus in the war and in after-the-war period. Since the war the organization has found employment for nearly 525,000 ex-service men regardless of their creed or religion. He spoke, too, of the remarkable record of the work done in the vocational schools for soldiers which Knights of Columbus maintain. Altogether it was a strong, patriotic appeal for better citizenship.

WASHINGTON, Jan. 16.—Representative Albert W. Jefferies of the Second Nebraska district, today formally announced his candidacy for the Republican nomination for the United States senate. He will seek the seat occupied by Senator Hitchcock, Democrat, whose present term expires March 4, 1923. Mr. Jefferies lives in Omaha. He is an attorney and is serving his second term in congress.

Mr. and Mrs. James Lawson and son Dara Iael and Mrs. H. A. Ruyle were among Monday visitors in Jacksonville from Roodhouse.

DEATHS

Baird.
Francis M. Baird passed away at the Old People's home at 7:20 o'clock Sunday evening.

Decedent was born in Wabash county, February 11, 1848, and was the son of John M. and Rebecca Stewart Baird.

He was a prominent druggist and for many years was engaged in business in Mt. Carmel. One daughter survives, who is the wife of a missionary to China. He entered the home in 1918.

The remains were removed to the Gillham funeral home and prepared for burial and will be taken back to the Old People's home where funeral services will be held this morning at 10 o'clock in charge of the Rev. Myron L. Pontius. The remains will then be shipped to Mt. Carmel for burial.

Ball.
The infant child of Mr. and Mrs. Charles Ball died Saturday afternoon at the family residence in Concord. Brief services were held and burial made in Concord cemetery Sunday afternoon.

Smith.
James D. Smith, a long time resident of this county died late Saturday night at the family home in Concord. Mr. Smith had been in ill-health for some time and death came as a result of continued illness.

The decedent was born in Missouri on December 18, 1859, the son of John and Anna Smith. At the age of two years he came to Illinois with his parents and has lived in this vicinity since that time. Mr. Smith was sixty-two years old at the time of his death.

For some years Mr. Smith was engaged in farming but retired some time ago and had been living in Concord. He was a member of Concord M. E. church.

The decedent is survived by his widow, one son, William Smith, and one daughter, Mrs. Nora Langhery, both of Beardstown; three brothers, one sister and one half sister.

Funeral services will be held Tuesday afternoon at two o'clock at the M. E. church in Concord. Interment will be in Concord cemetery.

Kitner.

Mrs. Rachel Elizabeth Kitner died at her home, 729 North Main street, at 1:30 o'clock Monday afternoon. She had been in failing health for some time.

Decedent was the daughter of William and Mary Hunter Blackburn and was born in Winston-Salem, N. C., November 24, 1839.

She came to Illinois fifty-two years ago.

In 1859 she was united in marriage in North Carolina to Franklin N. Kitner, who preceded her in death 47 years ago. The following children survive: John H. Kitner, San Antonio, Tex.; Mrs. Martha C. Harrison, St. Louis; Robert M. Kitner and Mrs. Louis Leurig, Jacksonville. One daughter, Mrs. Margaret E. Coffman died four months ago.

Mrs. Kitner was a member of the Christian church and through the long years of her life was faithful to its teachings.

The remains were removed to the Gillham funeral home and prepared for burial. Funeral services will be held from there at 2:30 o'clock Thursday afternoon in charge of the Rev. Myron L. Pontius. Interment in Jacksonville cemetery.

St. Louis papers please copy.

SOCIAL HYGIENE CLINIC SUSPENDED

Cairo, Ill.—(By A. P.)—Failure of the board of county commissioners to appropriate its share of funds for the operation of the social hygiene clinic here has resulted in its suspension.

Dr. C. L. Weber, physician in charge, announced. The cost of the clinic was slightly under \$300 per month. The state of Illinois contributed \$100 monthly, as did the city of Cairo, and Alexander county the remainder. The Alexander County Medical Society was divided regarding benefits of the clinic.

McKENDREE WILL CONTINUE CAMPAIGN

Alton.—(By The A. P.)—With \$800,000 donated to the McKendree college improvement and endowment fund, trustees of the institution plan to continue the campaign to raise \$1,500,000 by the end of the school year next June. The largest subscription came from the Rockefeller Foundation. The largest personal contribution was made by Charles P. Hamill, Belleville attorney, in memory of his father, James M. The one big question that confronts the city in the matter of securing factories is the labor problem. The big question asked is: "Have you sufficient labor for our factory?" It is up to the people of Jacksonville to come forward if they need employment, and say so.

The other matters in regard to

getting factories to locate here, such as rent, and fuel, are almost without exception easily disposed of, but the labor question is the sticking point. If the people of Jacksonville want factories here it is up to them to come forward and say so by stating they will take factory employment. If the Chamber of Commerce can point to a large number of registrations for employment of this kind, the largest obstacle in the way of the industrial growth of the city will have been removed.

COCONUTS FROM FLORIDA

TRINITY CHURCH IN ANNUAL MEETING

Reports Are Made and Officers Elected—Women of Guild Served Supper.

Members of Trinity church held their annual meeting Monday evening. Prior to the meeting the ladies of Trinity Guild under the direction of the president, Mrs. J. G. Ames served supper.

There were about one hundred present. The following ladies assisted Mrs. Ames in the supper arrangements and serving: Mesdames W. T. Capps, H. D. Capps, Charles Fawcett, J. F. Langton, H. M. Edgerton.

After supper the members heard an excellent concert given by Miss Beatrice Horsburgh, violinist and Miss Olga Sapio, pianist, of the College of Music of Illinois Woman's college.

The business meeting then began and officers made their reports. Mrs. Robert Allan, treasurer of the Guild reported a balance January 1, 1921, of \$537.41. Disbursements \$1,104. Balance January 1, 1922, \$266. The guild during the year refurnished the interior of the parish house and rectory and painted both structures outside.

H. M. Andre, treasurer of the Sunday school, reported a balance January 1, 1921, of \$7.19. Receipts \$103. Balance January 1, 1922, \$4.25 and the sum of \$322 in the savings bank. J. G. Ames, superintendent of the Sunday school gave a general report of the work of the school for the year.

Miss Fannie Wakely reported for the Woman's Auxiliary work done for the missions. Mrs. H. M. Edgerton, president of the Guild for the present year, out-

lined the work it is purposed to do.

Walter Bellatti, treasurer for the church, submitted his budget for the coming year. Mr. Bellatti reported that an indebtedness of \$22,000 on the church a year ago had been paid.

Rev. J. F. Langton gave his annual report on church activities. He spoke of the consecration of the new church in October and also reported on church services, rector's duties and finances. An every member canvass for church attendance and financial support is being planned.

The congregation then proceeded with the election of the vestry for the coming year. The following were chosen: H. M. Andre, J. G. Ames, Robert Allan, Walter Bellatti, W. T. Capps, Charles Cornick, William Robinson, Charles Fawcett.

The vestry then elected the following officers:

Senior warden—H. M. Andre. Junior warden—J. G. Ames. Treasurer—Walter Bellatti. Clerk—Charles Fawcett.

Committees will be named at the next regular meeting of the vestry.

BEGINS SPECIAL SERVICES FOR STUDENTS

Dr. McAfee Here to Talk to Young Men and Women at Illinois College on Religious Themes.

At Illinois college chapel Monday evening at 7:15 Dr. Cleland D. McAfee of the Chicago Theological Seminary, had for the theme of discussion "Life Work for Students." A number of visitors were present in addition to the young men and young women of the college.

Dr. McAfee is here to conduct a series of meetings under the auspices of the Y. W. C. A. and the Y. M. C. A. of the college. He is assisted by O. E. Pence, state students' secretary of the Y. M. C. A., and Henry Best of Rock Island, who is engaged in Y. M. C. A. work.

Dr. McAfee occupied the pulpit of the State street church Sunday morning and a large audience heard his inspirational address. In the evening a joint young people's meeting was held at Grace church, when Byron Cully of Illinois college presided. Dr. McAfee's theme was, "Five Essentials of the Christian Life."

Monday Mr. McAfee again addressed college students, speaking at the regular chapel hour on "The Appeal of the Religious Life to Students." The special services will continue at the chapel hour and in the evening at 7:15 through Tuesday and Wednesday.

SERVICES AT MT. EMORY CHURCH

The services at Mt. Emory Baptist church Sunday were far beyond expectations. Three services were held during the day and all were well attended, the evening service being an overflow meeting. Many were turned away as there was not even standing room.

The morning theme was "God's Officers," the afternoon, "Christ's Fishing Party" and in the evening Rev. Johnson spoke on the subject of "Dry Bones." The minister made each of his addresses so plain that even children could understand. Twelve persons were added to the church.

"The Way of the Transgressor is Hard," was the subject of Monday night's sermon. Romans seven: twenty-four was read as the lesson. The evangelist gave a vivid picture of the trials and tribulations that come to him who transgresses.

Tonight Rev. Johnson will preach on "Midnight Prayer."

PROBATE COURT. In the estate of George W. Rentschler, the will was admitted to probate and letters testamentary ordered to issue to George Rentschler.

In the estate of Samuel Crowther, letters of administration were ordered to issue to Melissa Crowther.

In the estate of John T. Underwood, the will was admitted to probate.

Letters of conservatorship for Kate Farmer were ordered to issue to C. F. Wemple.

In the matter of the Coon Run Drainage district, leave was given the commissioners to amend their petition and the hearing was set for Feb. 20, 1922.

MRS. EDWIN SMITH DIES IN DETROIT

Mr. and Mrs. Charles H. Smith, 226 Westminster street, received a message yesterday telling of the death of their daughter-in-law, Mrs. Edwin Smith. Death followed an operation for appendicitis performed last week. It was thought she was improving and would soon be able to leave the hospital until a sudden change for the worse came which ended in death.

Her husband was born and reared here and his wife had visited here a number of times and had made many friends. The remains will be brought here for burial and will be taken

to the Reynolds' Mortuary and later to the Smith home, 226 Westminster street, where funeral services, probably will be held Wednesday morning at 10:30 o'clock.

EAST STATE STREET LIGHT PLAN DISCUSSED

Matter Presented to City Council By A. C. Metcalf—City Will Be Represented at Telephone Hearing Today.

At the city council session Monday night a considerable amount of business was transacted but most of it was of a somewhat informal character. Present were Mayor Crabtree, City Clerk Scott, Aldermen Rowe, Cain, Chapin, Ehnie, Lonergan, Flynn and McGinnis. A communication was read from the plumbers' union signed by Carl Swanson, the secretary, asking for the removal of George Brown as chairman of the plumbing board. This communication was referred to the proper committee.

The chief of the fire department, Samuel Hunt, made an explanation of some problems in connection with operating the platoon system in the local department, and the matter was referred to Mayor Crabtree and the fire committee the statement being made that the committee's plans have not been entirely formulated because of uncertainty as to just the amount of revenue available the coming year.

Alderman Ehnie made a statement with reference to garbage disposal and said that Attorney Bellatti is still working on the plans for submitting the work out by contract, probably in separate sections.

Mention was made of the fact that the hearing on the Illinois Telephone Co., petition for increase in rates is to be held in Springfield today. Mayor Crabtree and City Attorney Bellatti will represent the city at this hearing which will be of a somewhat formal character. The company, it is understood, will file its reasons for asking increased rates and figures of the commission's engineers will also be filed. The city will probably be given some time to make answer.

Mr. Crabtree called attention to the meeting of the Illinois Municipal league to be held in Chicago, Jan. 25 and 26, and expressed the hope that some members of the council would find it possible to be present.

East State Street Lights.

Albert C. Metcalf on behalf of East State street property owners who have under consideration the proposal of erecting boulevard lights on that street, stated that the Railway and Light Co. is willing that poles should be used but wishes some contract covering liability in event of accident. The statement brought about a good deal of discussion. Alderman Flynn being opposed to the whole plan of using brackets in connection with the Railway and Light Co. poles. He maintained that there is great danger from the wires and poles and that all the construction work should be underground.

Mr. Stoltz, city electrician, took somewhat the same view as Alderman Flynn, and pointed out various objections to any further overhead wiring.

Alderman Lonergan said he was very much in favor of the improvement but believed that there should be careful investigation as to the city's liability. The matter was referred to the public improvement committee for investigation and report.

The construction cost if the brackets are used will be about 55c per lineal foot, while the estimate prepared by Public Engineer Henderson for entirely separate work would be about \$1.55 per lineal foot.

Before the council adjourned some time was spent in discussion of city finances, the mayor having prepared some comparative figures for consideration.

A number of visitors were called upon for an expression of views on the subject under discussion, the number including H. L. Caldwell, Harold Welch, P. J. White, of this city and O. A. Huber of Danville, who was present as a guest of Alderman Lonergan.

RETURNS HOME.

Miss Lucille Ploughe has returned to her home near Quincy to remain with her parents indefinitely. The news of the death of a brother in Kansas City last week and the serious illness of another brother has caused her to return. While in Jacksonville she made her home at the residence of Mr. and Mrs. Henry Taylor on North Main street.

Mrs. Arthur Ham was among local shoppers Monday from Concord.

CLUBS AND SOCIETY

Will Have Easter Bazaar At Congregational Church.

A number of ladies of the Congregational church met yesterday afternoon at the home of Mrs. C. H. Hall on West State street, to begin preparations for a bazaar which will be held at the church at Easter time. The afternoon was spent in cutting some of the articles which will be sold at this time and in planning some details of the coming event.

Italian Music Heard at Chaminade Club.

The Chaminade Musical Club met yesterday afternoon at the home of Mrs. Virginia Vasey on West North street. Roll call was answered by musical events of interest and a splendid program from the works of Italian composers was given as follows:

Entertains Queen Esther Circle.

Miss Mary Spire entertained the members of the Queen Esther Circle of Grace church last evening at her home on South Diamond street. Miss Spire was assisted by Miss Anna Mann as joint hostess. The devotional services were led by Miss Grace Marshall and this was followed by mission study led by Mrs. B. F. Lane. A short business was held and the remainder of the evening was spent in a social way. Delicious refreshments were served by the hostesses.

Farewell Party for Adam Jaeger.

The employees of the Woolworth store arranged a very pleasant farewell party Sunday in honor of Adam Jaeger who for two years has been manager of the store in this city. The employees, about 14 in number, went out to the Jaeger home on Harding avenue Sunday afternoon and surprised Mr. and Mrs. Jaeger. The afternoon was spent with music, games and conversation and at 6 o'clock an attractive supper was served. Mr. Jaeger was presented with a handsome gift in token of the esteem of his fellow workers.

Mr. Jaeger left early Monday morning for Chicago Heights, where he will take the management of the Woolworth store in that city.

Birthday Party for H. K. Chenoweth, Jr.

Mrs. H. K. Chenoweth entertained a number of boys yesterday afternoon in honor of her son, Harry Chenoweth, Jr., whose eighth birthday occurred yesterday. Twelve boys were invited to the Chenoweth home on West College avenue and the afternoon was spent with jolly games of different kinds. Attractive favors given to each guest and ice cream served in individual molds of various shapes were among the features of this delightful affair.

Hostess at Slumber Party.

Miss Marie Bush was hostess at a slumber party, given at her home on Findley street, last night in honor of her birthday. Music and games furnished entertainment for the evening. Delightful refreshments were served at midnight. The guests were, Misses Mary and Thelma Clark, Misses Meda and Dorothy Blakeman, all from Murrayville. Other guests at the Bush home Sunday were, Mr. and Mrs. Geo. A. Slapkins, Mr. and Mrs. Roy Clark, Frances, Worth and Chas. Clark, Carl Slapkins and Yates Potter.

Surprise Given For Mr. and Mrs. Moody.

A delightful surprise was given to Mr. and Mrs. Grant Moody of Sinclair Saturday evening when eighty people came in on them. The occasion was the near departure of Mr. and Mrs. Moody from Sinclair to the neighborhood of Shiloh.

Games, music and dancing was the order of the evening and at a late hour sumptuous refreshments were served, which had been prepared by the guests. Mr. and Mrs. Moody have been residents of Sinclair for the past nineteen years and their neighbors took this means of tendering them a farewell in the form of a surprise.

"UNCLE TOM'S CABIN"

PLAYED TO CROWDED HOUSE William H. Kibbler's "Uncle Tom's Cabin" was staged at the Grand Opera house Monday afternoon and evening performances. The popularity of this old stand-by was proven by the fact of standing room audiences. The theatre was packed in the afternoon and again at night. In fact, more than 200 people were turned away last night, unable to gain admission.

A competent company presented this story of slavery days evidently to the satisfaction of the audiences. A number of specialties were introduced to add to the interest of the presentation.

MILITARY CORPS HAS BEEN ORGANIZED

Students of State School for Deaf Complete Organization—Col. Smith Will Be Post Commander.

A military corps has been organized with the students of the Illinois School for the Deaf. The military training will be under the instruction of Col. O. C. Smith, a member of the faculty.

The boys of the school were enthusiastic for the military training and they have been provided with the regulation equipment by the state. Quite a few of the boys are members of the Boy Scouts organization and the experience they have had in drilling is proving of great aid in getting the work under way.

Col. Smith will act as post commander. Elbert Brasel is captain and three boys of this year's graduating class are the minor officers, first and second lieutenant and first sergeant.

Following is the personnel of the organization:

Post Commander—O. C. Smith.
Captain—E. Brasel.
First Lieutenant—Walter Maack.
Second Lieutenant—Stanley Bon-dick.

First Sergeant—Louis Massinkoff.

C. A. BORUFF IS CANDIDATE FOR CLERKSHIP

While most of the announcements of candidates for county office thus far have been by Republicans, that does not mean that there is no interest among Democrats. In fact, there is a good deal of activity and a number of Democratic candidates have been mentioned.

C. A. Boruff, formerly county clerk, is an avowed candidate and has already begun a canvass of the county. Since retiring from office three years ago Mr. Boruff has been engaged in the real estate and insurance business.

Morgan Ryan of Franklin was in the city yesterday transacting business.

Grace Church Notes

Such a bright sunny day was favorable to a great day on Sunday at Grace church. The Sunday School began the days program with a good attendance and splendid interest. Sickness among the children kept the attendance down in the younger departments. The interest in the auto contest in the Junior Department is on the increase. There were in attendance 336 and the offering amounted to \$12.13. At the morning service the pastor preached a most searching sermon from the subject: "The Ministry of Jesus". Intermediate League met at 2:30. At 6:30 there was a great gathering of young people to hear Dr. McAfee in an inspiring address to young people.

At the evening service Col. O. C. Smith of the State School for the Deaf delivered an address to a large and appreciative audience on "What the United States should have learned in the War". It was a great address vividly portraying the impressions gained from actual experiences at the front and in conclusion drawing lessons that were reasonable and practical. The music at all services was especially pleasing.

On Monday evening the Intermediate League will hold a social in the parlor. All young people of intermediate age are invited. The Queen Esther will meet with Misses Mary Spires and Anne Mann at their home on South Diamond street Monday evening. The School of Religion will meet as usual Tuesday evening at the Woman's College. The Woman's Home Missionary Society will meet in the Social rooms Wednesday afternoon at 2:30. The Executive Board will meet at 2 o'clock. Mid-week prayer service at 7:30 Wednesday evening. Scout Troupe seven will meet Thursday evening at the church.

INCOME TAX FORMS SOON AVAILABLE

Collector Schwane Gives Some Details About Forms Which Have Been Simplified for Current Year.

The following statement has been issued by Collector of Internal Revenue G. W. Schwane, the 8th District of Illinois:

Forms 1040A, revised and simplified, for filing individual returns of income for the calendar year 1921 of \$5,000 and less will be available Wednesday, January 18 at the office of Collector of Internal Revenue, Springfield, Ill., and the following branch offices: East St. Louis, Cairo, Centralia, Danville, Decatur, Bloomington, Quincy, Jacksonville, Canton and Pekin. A copy will be mailed to taxpayers who last year filed a return, but failure to receive the form does not relieve a taxpayer of his obligation to file a return on time—on or before March 15, 1922. The forms have been reduced from six to four pages, two of which are devoted to instructions which should be carefully read by the taxpayer before filling in the blanks. A study of these instructions will greatly lessen difficulties heretofore encountered in correctly making out the returns.

On page 1, under the head of "Income" are spaces for reporting the following items: Salaries, wages, commissions, etc.; income from partnerships, fiduciaries, etc.; rents and royalties; profit (or loss) from business or profession; profit (or loss) from sale of real estate; profit (or loss) from sale of stocks, bonds, etc. and other income. Beneath are spaces for entering deductions, such as interest and taxes paid during the year; losses by fire, storm, shipwreck, or other casualty or by theft, contributions, bad debts, etc.

On page 2 are spaces for entering explanations of the various items: i. e., the total amount of income from business or profession, with description ("grocery," "retail clothing," "drug store," "laundry," "doctor," "lawyer," "farmer") from rents, and royalties, sale of property, etc.

Returns are required of every single person and every married person not living with husband or wife, whose net income for 1921 was \$1,000 or more, and of every married person living with husband or wife whose net income was \$2,000 or more. If the combined net income of husband, wife and dependent minor children equalled or exceeded \$5,000 all such income must be reported on a joint return or in separate returns of husband and wife. If single and the net income including that of dependent minors, if any, equalled or exceeded \$1,000, or if the gross income equalled or exceeded \$5,000, a return must be filed. A minor, however, having net income of \$1,000 or \$2,000, according to marital status or a gross income, income of \$5,000, must file a return. The requirement to file a return of gross income, regardless of the amount of net income, upon which the tax is assessed is a new provision.

"Net income" is gross income less certain deductions which are explained on the form. Under each of the above conditions, a return must be filed even though no tax is due. The exemptions are \$1,000 for single persons and married persons not living with husband or wife, \$2,500 for married persons living with husband or wife whose net income for 1921 was \$5,000 or less and \$2,000 for such persons whose net income was more than \$5,000. The exemptions for dependents, "a person under eighteen years of age or mentally or physically defective" has been increased from \$200 to \$400.

A head of a family—a person who actually supports in one household one or more persons closely related to him (or her) by blood, marriage or adoption, is granted the same exemptions allowed a married person. The normal tax rates are unchanged, 4 per cent on the first \$400 of net income above the exemptions and 8 per cent on the remaining net income. The tax this year, at least, may be paid in full at the time of filing the return, or in four equal installments, due on or before March 15, June 15, September 15 and December 15.

Heavy penalties are provided by the new revenue act for failure to file a return and pay the tax on time. Announcement will be made through the press of the date of release or Forms 1040 for filing individual return of income of more than \$5,000.

POST TOASTIES DOWN TO PRE-WAR PRICE
The housewife likes the convenient dime. She has always liked it, and always will. For 10 cents is a price that appeals to the popular imagination.

The grocer also likes the dime and the article that sells for a dime, since the 10-cent article means more business and a quicker turnover. It simplifies his bookkeeping and in the long run saves considerable time in making change; thereby minimizing mistakes, and helping to keep the customers moving during rush hours.

Consequently the Postum Cereal Company, Inc., takes pleasure in announcing a new price on Post Toasties, effective December 31, 1921, which will enable grocers to sell a package of Post Toasties at their pre-war price, 10 cents, and make a good profit. During the war when prices for food stuffs in general were rapidly rising, Post Toasties were the last corn flakes to go up in price. All through the trying period of readjustment last year they held the market steady and

now they are the first to come down.

FARM BUREAU NOTES

The New Commission Firm.
Inquiries have been made at this office as to how a co-operative commission firm operates. In general they charge the same price for handling livestock that old commission firms charge. However, shipping associations that take out memberships share in the profit of the organizations. This profit sharing is also open to individual shippers who take out memberships in the new firm. We have advised men who did not have especial preference to ship to the new organization. Those Flynn of Route No. 3 is the first individual shipper to try the new firm. We are very much interested in hearing how his business has been handled.

Spraying Materials.
H. C. Libert of Concord is one of our farmers who believes in spraying orchards. He recently made inquiry as to the possibilities buying spraying material in quantities. We understand that the fruit growers in southern Illinois are inviting all growers to pool their orders for this material with them in the hopes that a distinct saving can be made by purchasing in quantity.

Co-operative Spray Ring.
We have been very much interested in seeing farmers start a fruit garden on their farm. In general it would seem to be wise to make the entire project not exceed one acre. However, recently we have seen some indication that would be better policy to form spray rings and take care of what trees we have before we set out any more orchards.

More Members for the Pig Club.
Ralph and Ivan Riggs of the Muraville school have indicated their intention of again getting into the Morgan County Pig Club. These boys have already made a nice start in this line of work and we should be glad to hear of others. This pig club is open to any boy or girl in Morgan county. We ought to have the name early as some phases of this work will start March 1st.

PRICE OF WHEAT

CLOSES STEADY

By Associated Press.

CHICAGO, Jan. 16.—Wheat had a tendency to sag in price today owing more or less to competition from the southern hemisphere and to failure of a brokerage house in New York. The close, however, was steady at the same as Saturday's finish to 1/2c lower with May \$1.11 1/2 to \$1.11 1/4 and July \$1 to \$1.00 1/2. Corn gained a shade to 1/2c. Oats lost 1/4 to 1/2c and provisions finished unchanged to 2c higher.

With reports current of enlarged offerings of the new crop in Australia and Argentina the wheat market here showed an advance of any aggressive buying at the outset. This condition was soon made more pronounced by word of the New York brokerage failure, although the fact was quickly ascertained that no important amount of grain was involved. After mid-day however, buyers displayed a little more confidence and the market rallied somewhat. Russian relief purchases were helpful as a stimulus at this juncture and so too was announcement of a decrease in the United States visibly supply total notwithstanding that the decrease proved to be less than had been looked for in some quarters.

Absence of moisture in the southwest counted as an additional strengthening factor at the last.

Renewal of export inquiry together with a visible supply decrease gave firmness to the corn market.

Oats prices declined in the absence of any special demand.

Increased shipments of lard helped to lift provision values despite lower quotation on hogs.

LAW IS STRICT ON GUESSING CONTESTS

Newspapers Violate Rules and Regulations of Postal Department When Publishing Matter of This Kind—Charity and Business Contests All Classified the Same.

The postal laws and regulations of the United States are very strict with reference to the publication of news matter relating to lotteries, guessing contests or prize drawings of any kind whatsoever. Under the law it makes no difference as to the purpose of the contest or drawing, and whether for profit or charity. The publication of any such matter is a violation of the law and the newspaper publishing anything about such drawings or contests before or after they are held renders itself liable under the law, and the publication thus becomes unlawful.

Law Very Plain.

The fact is the law is so specific, that it is the duty of the postmaster to refuse to receive into the mail any publication using any matter of the kind mentioned.

Because of the growth of such contests and at that on the part of persons or firms who have no thought or wish to violate the law, it has become necessary for the Journal to decline to print any news matter or advertising relating to contests, drawings or anything of that character.

Section 547 of the postal laws and regulations, listing unallowable matter, includes "all matter concerning any lottery, so-called gift concert, or other enterprise of chance, or concerning schemes devised for the purpose of obtaining money or property under false pretenses."

In order that the public may thoroughly understand the matter and realize that the action of this newspaper is not arbitrary, but simply in line with the law, the following paragraphs are printed from page 66 of the U. S. official postal guide.

Unallowable Papers.

"34. The attention of postmasters and railway postal clerks is directed to section 482 of the postal laws and regulations, by the provisions of which newspapers or other publications of any kind, circulars and pamphlets containing advertisements of lotteries, gift enterprises of similar schemes offering prizes dependent in whole or in part upon lot or chance, or lists of the prizes awarded in pursuance of such schemes, and all other matter relating to them, are declared to be unallowable. The terms 'lottery' gift enterprise, or similar scheme offering prizes dependent in whole or in part upon lot or chance,' as used in that section, include 'guessing' or 'estimating' contests for prizes, as well as drawings and raffles of every kind, whether general or local, whether for private gain or in aid of charitable, educational or religious objects, and whether the consideration for chances be money or other things of value. Enterprises in which prizes are distributed among purchasers of merchandise in stated amounts, or among subscribers for publications, or for shares of corporate stock, through the medium of drawings or guessing contests, are lotteries within the meaning of that section. Publications, circulars, cards, or pamphlets containing advertisements of such enterprises, or other notices or information of any kind relating to them, would be withdrawn from the mails and treated in accordance with sections 547, 574 and 593 of the P. L. & R."

"Endless chain' enterprises designed for the sale or disposition of merchandise, or other things of value through the circulation or distribution of 'coupons,' 'tickets,' 'certificates,' 'introductions,' and the like, are held to embrace the elements of a lottery and also to be fraudulent. Matter of every kind relating to such enterprises should be excluded or withdrawn from the mails, and treated in accordance with sections 547, 574 and 593 of the P. L. & R."

MINISTERS AT STATE HOSPITAL

With Their Wives Were Guests of Dr. E. L. Hill—Found Much of Interest in Institution.

The members of the Jacksonville Ministerial association and their wives were entertained yesterday by Dr. E. L. Hill, head of Jacksonville State Hospital.

The meeting of the association convened at 11 o'clock yesterday morning at the State Hospital for the regular business session. The chief transactions at this time were in regard to the proposed annual meeting for all of the Protestant churches of the city. It was voted to recommend to the churches to hold a union meeting for all of them for five or six days three weeks before Easter. This big union meeting would then be followed by separate meetings in each church, or small groups for the remaining two weeks before Easter.

The business meeting adjourned at noon, at which time the ministers were served luncheon in the dining room of the hospital. Immediately after the luncheon they were addressed by Dr. Hill, who made a splendid and stirring talk on the influence of religion on the insanity patients.

Dr. Hill then conducted them through the many wards and departments, astonishing them with the really marvelous results that have been obtained. The industrial ward was especially interesting to the pastors. In this ward the patients were making chairs and rugs and other articles of furniture. The work showed what patient training and able instructors can do.

Dr. Hill then took his guests to the auditorium of the hospital, where they were entertained by a program given entirely by the patients. The entertainment was a fine piece of work, and according to the praise of the ministers, would do credit to a chautauqua program.

The Ministerial Association feels indebted to Dr. Hill for one of the most pleasant and profitable days ever enjoyed by the organization and wish to thank him for his kindness.

FACULTY IN GOOD HUMOR AFTER FEED

The High school faculty will return to its usual occupation this morning in a much better humor than usual, after the big supper and party last night in the cafeteria of the High school.

The teachers enjoyed a delicious menu served cafeteria style and then lost their cares and worries in the midst of the fun and games that filled the evening.

Miss Adele Shelah, Miss Julia Tilton and Miss Adele McClellan composed the committee in charge of the arrangements. Miss Shelah and Mrs. B. F. Shafer had charge of the entertainment. The affair was such a success that it will doubtless become an annual event for the faculty.

HARD WINTER IN MINNESOTA

Friends of D. B. Green, formerly employed on the George Orear farm, east of the city, have received word from him in Cloverson, Minn. His letter states that the prophecies for a hard winter are being lived up to in that part of the country. At the time of his writing the thermometer registered forty degrees below zero and a foot of snow covered the ground. He further stated that since November 10th there has been sufficient snow to make sledding the favorite mode of transportation.

NARROW ESCAPE IN AUTO ACCIDENT

Mr. and Mrs. Charles Bonnett, and Mr. Bonnett's father, and Mr. and Mrs. Henry Kesterson and baby, narrowly escaped death Sunday afternoon, when the machine in which they were traveling east from Mercedosia turned turtle, while the rest of the party was badly bruised and scratched.

The accident occurred a mile east of Mercedosia at 5 o'clock, when the car struck a rut in the road. The motorists were returning from a Sunday afternoon visit with Mr. and Mrs. Adam Leonard of Mercedosia.

ANNOUNCEMENT.

I hereby announce myself as a candidate for Road Commissioner in District Number Ten.—Jno. Koyns.

CLEARANCE SALE MOVING ALONG

The big January Clearance Sale is moving along nicely. A general picking up of business is apparent in all of the stores. Last Saturday was better than the average Saturday, and business yesterday was far above par for this time of the year. The merchants are not expecting any great rush this early in the week as the sale is of seven days duration. The sentiment generally prevalent is that of satisfaction with this big cooperative effort.

WILL MEET WITH MRS. F. J. WADDELL

The Ladies' Aid society of Congregational church, will hold its monthly social meeting at the home of Mrs. F. J. Waddell at No. 2 Duncan Place, instead of in the Joy Prairie memorial room of the church, as previously announced.

Mr. and Mrs. George L. Stice and son George Junior went to Waverly yesterday to spend a few days at the home of Mr. and Mrs. C. E. Armstrong.

Mrs. C. C. Carter of Bluffs is spending several days visiting with her mother, Mrs. S. L. Riggs and family, on South Clay Avenue.

Harry Ogle and sons, Paul and Ralph, were transacting business in the city yesterday from Grace Chapel.
